<b>72 hours</b>	<b>36 hours*</b>	<b>Maximum 56 hours**</b>	

\* Students will need 36 hours if all units are satisfied by 3-credit-hour classes. Some KU Core classes simultaneously satisfy major requirements. Students may elect approved learning experiences to satisfy some goals.

\*\*Most students will need fewer than 56 hours because: transfer credit and advanced placement reduce hours; some foreign language classes also meet KU Core goals; and capstone courses in the major satisfy a KU Core goal.
