Please note the following:

- * Items move forward assuming none of the committees have questions regarding changes and no meetings are cancelled.
- * The timing of the proposal deadline is necessary to allow for initial review by College staff, preparation of subcommittee agenda, and review of materials by subcommittee members prior to the subcommittee meeting. Whenever possible we will exercise flexibility with this deadline, but only after change proposals submitted by the deadline have been processed.
- * Items approved by CGS in the final Spring 2021 meeting will not be submitted to CAC until Fall 2021.
- * New programs require Provost's office review, which may extend the timeline for approval.
