Title History and Theory of Planning

Transcript Title History and Theory Planning

Effective Term **Fall 2018 Summer 2017**

Catalog Description The course serves as an introduction to the history of city planning and "how to plan" in general. Planners are particularly concerned with future consequences of current action. In looking to the future, knowing past history is a good place to start. Also, planning theorists have thought deeply about how best to plan and their thoughts and advice can serve planners and decision-makers well when they are facing unknowns.
